

*LIZA (20s) lays across a couch. JADE (20s) sits at the end.*

LIZA

You've got new skin every month.

JADE

Good, I could use some.

LIZA

New. Skin. Every. Month. This isn't your February skin.

JADE

Do I get my April skin soon?

LIZA

If we get new skin... What makes us... *us*?

JADE

Brain.

LIZA

I don't know this hand.

*Jade taps Liza's temple.*

JADE

You're all up here.

*Jade takes Liza's hand.*

JADE (CONT'D)

This is just.. a suit you get to change every month. But you're still you.

*Liza hums and examines their hands together.*

LIZA

New skin. Every month.

JADE

Same you.
